# E-COMMERCE INVESTMENT

2023

# HOW DOES IT WORK?

## INVEST IN US!

This programme is very simple, you only have to know our trajectory and the different programmes or proposals that we can show you, each programme has a minimum and a maximum amount, additionally, you can choose depending on the level of risk that you want to assume and the expected profitability that you would like to obtain.

It should be clarified that as in any business there will always be a level of risk and under no circumstances is the risk zero. Therefore please note that in each proposal you will be presented with the advantages and disadvantages and possible scenarios.

# ABOUT THE INVESTMENT

## OUR PLANS

### EXISTING PLAN

01

These are projects that currently exist and are already generating sales and profitability, and are therefore in the implementation phase. The minimum investment is 5.000 USD and the maximum is 50.000 USD.

### PROJECT PLANS

01

These are projects that are on plans and that are expected to start their execution stage within a year, these projects have a higher investment of a minimum of 10,000 dollars and a maximum of 100,000 dollars.
